Jerry Millhouse, 6715 Yorkcliff Place, Dayton, OH 45459-3052

**Buckeye Wing Association – Commemoration Coin**

***Actual coin size 1.75 Inches***

Thanks and congratulations to Bob Bien and Jeffrey Price for their creative and combined efforts to design and order the 2016 Buckeye Wing Commemoration Coin. We are excited about these coins, they will become collector coins. We hope that you are also excited about these coins and will want to purchase one or more of these coins. They are made of top quality antique bronze. One side of the coin depicts our buckeye wing insignia and the location of the bases where our Buckeye Wing members served. Beginning at Clinton County AFB, then Rickenbacker AFB and Wright Patterson AFB. The flip side of coin presents our historical record of aircraft the Buckeye Wing flew during 1952 to 2011. Our reunion in May 2016, will introduce our Units Challenge Coin, a first!

**Coming to the Reunion** - 👍 Then please enter the quantity of coins you wish to purchase. You may then obtain your coins when you pick up your registration packet at the reunion. Can't wait till May 2016 and desire your coin after Dec. 15, 2015, then please include the shipping fee on your registration form. We will then mail your coins to you.

**Not Coming to Reunion** - 😞 You will be missed! Our committee has planned an enjoyable fun filled adventure in Cincinnati area. Then, please complete the coin section on the registration form for the number of coins you desire and include shipping costs and mail the registration form and payment to our treasurer, Jerry Millhouse. His address is on the bottom of the form.

Tom McVey, President Buckeye Wing Association  
October 2015
